

The Town of Charlotte is looking for sealed bids in regard to building a new 18' x 66' Lean-to pole building with a 10'x 12' roof over the generator unit to be built at the Highway Building located in Charlotte Center, NY.

The Lean-to pole building would be built in 2019 onto the west side of the existing highway building and be completed in time to allow the Town of Charlotte to replace existing roof on highway Building.

The Town Clerk has copies of the original stamped blue prints that contain the detailed construction requirements and all work to be completed. It is up to the contractor to prepare a building list of materials based on the prints. All interested Contractors may contact the Town of Charlotte Clerk, Susan L. Peacock, (716) 962-6047 to inspect and receive a copy of said blue prints.

Sealed bids are due at the Town Clerk's office no later than Friday March 8th, 2019 at 12pm at which time the Town Clerk will open and read out loud any and all bids in the Town Clerk Municipal office for any parties to witness.

Bids can be mailed to the Town Clerk at P.O. Box 482, Sinclairville, NY 14782

Bids can be dropped off at the Town of Charlotte Town Clerk Municipal office located in the lower level of the David Vern Luce Community building, 8 Lester Street, Sinclairville, NY 14782 during regular business hours or dropped in the drop box at the upper level door.

The Town Board will review bids at the March 13th board meeting. The Town Board reserves the right to reject any and all bids.

Any interested Contractors may contact the Highway Superintendant for onsite inspection by calling (716)665-8506 CELL or (716)962-4501 at the highway building.
